

Albanian-American
Development Foundation

JOB ANNOUNCEMENT

Position: Office Coordinator - Shkodër

CleanScore Project

Albanian-American Development Foundation (AADF) was created in 2009 by the Albanian-American Enterprise Fund with the support and encouragement of United States Agency for International Development (USAID) and the United States Government. The mission of AADF is to facilitate the development of a sustainable private sector economy and a democratic society in Albania, and to contribute to stability in Southeastern Europe.

As part of Education sector portfolio, AADF is implementing the CleanScore project which aims to build a digital testing center solution that helps improve transparency in student evaluation improve teaching quality by substituting current local textbooks with international versions. This project is implemented in partnership with several public and private universities.

CleanScore is looking for an Office Coordinator that will contribute in the effective implementation of the components of the project in the University of Shkodra.

Main responsibilities include, but are not limited to, the following:

- Preparing test answer sheets for students and continuously collaborating with professors;
 - Answer sheet scanning and scoring, delivery of results to professors and the project assistant;
 - Correctly & efficiently use the equipment and software for answer sheet scanning and scoring,
 - Maintenance of dedicated equipment;
 - Develop a standard working plan for effective operation of CleanScore Office and report to project assistant, produce analysis and provide recommendations how to improve them;
 - Coordinate and supervise the book sales process in partner universities;
 - Support AADF Education Sector and CleanScore project with other duties as required;
 - The Office Coordinator will be primarily located at the office in the University of Shkodra.
- Time to time they may be required to travel for trainings, monitoring or promotion activities.

Required qualifications and competencies:

- University Degree;
- Minimum 1-2 years of work experience;
- Must be proficient in the Microsoft Office package and especially Word and Excel;
- Strong analytical, communications, technical teamwork, and interpersonal skills;
- Very good command of English Language.

Application Instructions:
